# ELITE TEAMS

"Overcoming The Obstacles"

It all starts with an explosion. At midnight our recruits are awakened with chaos, confusion, and stress. Smoke envelopes them as everything stable seemingly falls apart. The focus is to forge them together as a unit and take everything they have learned through their almost year of training and apply it. The best plan falls apart at the first sign of stress. Our leaders thrive in difficulties and persecutions. They learn when they are at their weakest, they are at their strongest. 2 Cor 12:9-10. And like a crucible, the impurities rise to the top through the fire. This 12-hour event we have named the "Overcoming."

Graduation comes after overcoming. These new Elite Warriors have the opportunity to continue learning and take what they have been exposed to and train others to overcome. This is discipleship, this is leadership, and this is how we overcome and advance the line. By teaching, mentoring, and training through the physical scenarios, we forge by fire. We make disciples. We are Elite.

Because of you every single recruit has the opportunity to receive discipleship training. Because of you, Elite is in multiple countries. Because of you, we are thriving. Let's keep this momentum going. Thank you, team. We couldn't do this without you.

## Why military training?

Our unique training style allows ELITE instructors to engage people from all walks of life.

We do this through obstacle course training and military discipline. Everyone battles with difficult circumstances. Life offers its many challenges. By relating physical obstacles to various spiritual, emotional, and mental difficulties. We train recruits on how to overcome adversity and thrive in high-stress difficult circumstances. We train in Biblical understanding, memorization, and many other discipleship tactics.

**"Not only that, but we rejoice in our sufferings, knowing that suffering produces endurance, and endurance produces character, and character produces hope, and hope does not put us to shame, because God's love has been poured into our hearts through the Holy Spirit who has been given to us."**

ROMANS 5:3-5
